

Dear Brothers,

In keeping with our purpose of supporting our priests, I have now met with Fr. Mulqueen of Holy Redeemer in Palm City, Fr. McGrath of St. Joseph in Stuart, and Fr. Jack of St. Andrew Catholic Church in Stuart, Florida. They are all very receptive to having us in to do our membership drives. As a direct result of our communication, their Sunday Bulletins now list our monthly meeting times and contact information, including our website address!

For special events, I have asked our new Public Relations chairman, Bob Castellano, to contact the parishes to get that information published in the three parish bulletins. I have also asked Bob to start a binder showing where and when our Council activities get mentioned.

For instance, out2martincounty.com is an online newspaper for our local area. I submitted a picture and article of our installation of officers meeting electronically, and it was published in their Human Interest section. Dick Hall, the man behind out2martincounty.com covered the Red Mass at St. Joseph's. I asked Dick if he would take a picture of our 4th degree Honor Guard with the Bishop. He also included the Judges and a County Commissioner, and published it with a wonderful article on the FRONT PAGE! At a recent business meeting, Dick presented me with a hard copy print of the photograph.

My hope is that we can better communicate with our priests, churches, and community more of the wonderful work our Council 6241 is doing. Thanks to all of you Brothers who make things happen, week after week! It truly is an honor to serve as your Grand Knight.

And don't forget:: Look around your parish every Sunday for someone to ask about becoming a Knight! Pray that all our doings, being ordered by His governance, may be made righteous in His sight!

Ad majorem Dei gloriam
Your brother in Christ Jesus our Lord,
Andrew J. Salisbury II

We all know and appreciate the good work the Knights of Columbus does for the Church and charitable causes. But did you know that our insurance program is an essential part of the Order, and has been from the very beginning.

Protecting families from economic adversity has been a key part of the Knights of Columbus mission since its founding in 1882. Our founders "passed the hat" to support the widows and children of brother Knights who had died. We've grown into one of the largest individual life insurers in North America – with more than \$60 billion of individual life insurance in force.

Moreover, contrary to some misconceptions, our insurance program is not directed in any way by a "separate company" and never has been. Our insurance is available exclusively to members, their wives, and their dependent children. All field agents – including me – are themselves brother Knights. We all work full-time for the Order, serving the needs of you and your family and answering your questions.

In this day and age, personal attention has become rare – but in the Knights of Columbus, we specialize in it. In fact, it's our job to get to know you and your family, and to make ourselves available to you for assistance. We are different from other insurers – and that difference greatly benefits our members. Give me a call to find out more about how the Knights of Columbus has been "Making a Difference for Life" for 124 years
