Brother Knight’s,

As we start another Fraternal Year I am looking forward to having another successful term as your Grand Knight. We again have an excellent team of officers in place to serve our Council and I hope you all partake in the many Charity Events that we have during the year.

During the past year our Council has contributed over $31,500 to the Churches and Charities in Stuart and Palm City, so let’s do it again.

Remember, it is your Council, you can make a difference in our everyday operations as we strive together to serve those in need in our community.

In May, at the K of C State Convention in Orlando, our Council was awarded 2nd Place in our Division for New Members that joined during the year. We had a total of 24- 1st Degree Members join us since last June. Much thanks goes to the Membership teams and to our new Members who made the award possible.

During the summer months many of our K of C Volunteers head north for extended periods of time. This leaves the Council short of Volunteers for Bingo. As you know, Bingo is the number one provider of those Charity Funds that we feel so good about. We have a very strong Customer Base for Bingo every Thursday and Sunday, but Volunteers are a different story. Many Knights are working both Bingo’s (some double shifts) and it is not fair to expect them to do this all summer long. Please contact Pat Breen, Mike Fisk or myself to get an assignment to help us out. Just once a month is all we ask. So join a team now. We need your help!!

God Bless and stay well

GK  Ron Robinson

Raising a family is costly. For many of us, there’s not much left over for long-term goals...such as saving for our children’s education or for retirement. Ideally, caring for a sick parent wouldn’t have to be part of the equation. Yet, as with many things in life, the reality can be quite different. Today, many people start families in their 30s and 40s - while their parents live well into their 70s, 80s, and 90s.

If one day you require skilled nursing care, you might have to ask your children for help - just when they’re ready to send their own children off to college. This is, in fact, a common dilemma among middle-aged people today. Experts have even coined a term -“the sandwich generation” – to describe those who are squeezed between the conflicting financial obligations of caring for both parents and children.

Knights of Columbus Care - a long-term care insurance plan - is the newest addition to the Order’s portfolio of insurance products. It is available to members and their spouses ages 40 through 85 in the United States (35 through 80 in Canada), subject to underwriting requirements. You have a choice of nursing-home-only coverage, or comprehensive coverage - which also covers at-home and hospice care.

The **Columbian Club** would like to put a new roof on our house. President Lou Cucci says the preliminary bids come to over $30k..with new insulation and ceiling tiles it comes to almost $40k. Therefore PGK Ed Hussey made the following motion that was seconded by PGK Andy Nowicki.

**KC Council 6241 to give, up to $20,000 in our Money Market Account to the Columbian Club for the new roof.** Replacement of these funds will take place by taking $1000/month from BINGO revenue till the Money Market Account reaches $35,000.

This motion will be voted on at the July 11th Business Meeting.

GK ROBINSON presents a check for $5000 to Gina Thompson Executive Director of Mary’s Shelter. The Fourth degree Color Guard honored us with SK John Hannan and SK Andrew Salisbury. Ron said it was a great night for the Knights. He thanked all the Knights and Columbiettes for all their hard work this past year.

It is only through this hard work that we were able to contribute $31,000 to our charities. The following also received checks- Molly’s House, Challenger School, Bishop’s Appeal, God’s Resources, KC Wheelchairs, A.R.C., St Vincent De Paul, Catholic Radio and The St. Joseph School Jazz Band.

Brother Ed Daccarett was there to receive our support of Catholic Radio. By the way Ed, you are looking good (prayers work). 

RON AND ELLIE .. WHAT A TEAM... ELLIE THANKS FOR ALL YOU DID
Gods Resources Inc’s Mission is to provide a mobile RV vehicle for professionals to offer free pregnancy tests and equipped with ultrasound technology, to any women on the Treasure Coast. All pregnant women need support, and the HOPE RV- will offer free services in a convenient and comfortable location. We hope to encourage women to make an informed, life-affirming decision to have their child. Approximately 80% of women who view their baby via ultrasound- choose to deliver their baby. We need to support the pregnant woman.

We believe that life begins at conception and we believe in the sanctity of human life, so any safe and informational assistance the RV can provide will foster our goal to save lives. We are non-judgmental, non-political, and noncoercive. We refer women to and work with the local Pregnancy Care Centers. The RV will travel to Pregnancy Resource Centers, colleges, areas near abortion clinics, and Minority areas such as Indiantown and Okeechobee.

Our goal is to raise $80,000. We are a Florida non-profit Corporation and have 501 C (3) status. We are praying that you and your friends will help us raise funds to purchase this RV and to train nurses and counselors.

In Praising God.
