GK Message,

Greeting Brothers. It is my pleasure to inform you that two of the seminarians we’ve been supporting will be ordained May 7, 2016 at the Cathedral of St. Ignatius. My wife and I will be attending the ceremony. The Rev. Mr. James Scott Adams and Rev. Mr. Robert Lee Pope Jr. have completed their studies and will join the priesthood. We congratulate them and pray the Holy Spirit will guide them on their Priesthood journey. Keep them and all priests in your prayers. My wife Juli and I will be attending the ceremony and departing from the council building around 9:30 AM. If you wish to join us let me know.

Bob Ward leads the nomination committee to develop a slate of officer recommendations for our upcoming election. If you desire to run for a Council Office please contact him. The slate of officers will be presented during our May Council meeting and voted on in June. Last chance to get on the ballot will be during the June election when nominations are accepted from the floor. The June Council meeting is important for the election of officers, the approval of our operating budget and it’s the last one of the Fraternal year. So, come on out.

Talk about good news. April 17th Bingo Sunday was heading to disaster. Brothers were incapacitated and being admitted to hospitals, seasonal brothers had gone north leaving D team devastated. An email was sent out requesting help and the response was overwhelming. Some brothers responded to the email others just showed up to help. I did not get to see all who showed up because I was in the kitchen flipping hamburgers but I do want to thank all that responded. Unfortunately it was the same magnificent seventy that volunteer for everything. Bingo from now until mid-October will have many shortages. We only have two grill men and two cashers assigned. Need four each. All volunteers are welcomed.

Congratulations to the Columbiettes on their fortieth anniversary which was celebrated April 22, 2016. To our brothers who are returning to their loved ones up north, have a safe trip and we will see you on your return in the fall.

God Bless
Frank Polis

Membership drives are in progress at each church in our auxiliary surroundings, if you know of any "catholic woman" who would like to join us, please get her name to Eleanor Robinson-781-5023. Remember, May is our last meeting until October, but we are still working thru the summer, planning our Fashion Show for February, date tba. As you might notice several of these dates are over one year old. Those Boosters have given over and above the suggested $10.

If you do email please sign up for the pdf copy that I send each issue.

You will receive a better in color issue that you can keep on the desk top.

Along with the full Shield I send the events page separately, which can be kept on the desk top too, so you can check the dances, dinners etc.

Many Councils only have e-bulletins because of the cost.

Please e-mail me jrollando@yahoo.com and I will sign you up for the e-copy

While jobs may be safer in 2016, accidents, injuries, and illnesses that can impact your ability to work still happen. Most, in fact, do not happen on the jobsite or place of employment. Did you know that a 2011 study revealed that more than 95 percent of the long-term disability claims on file were not work related?

The Knights have always sought to protect members’ families from the “loss” of a breadwinner. I’m sure you know all about Father McGivney’s vision for our insurance program. But you may not know that Father McGivney also wanted to find a way to help members who couldn’t work because of an illness. After all, the “loss” of the breadwinner does not have to mean that person’s death; it can also mean the loss of the breadwinner’s income.

Consider that loss for a moment. How would your family fare if a source of income suddenly stopped? Could a dual-income family manage on one income? What about young families with a working father and a mother who cares for the children? What if his income halted due to an accident or illness?

I’ve heard some people say they have coverage at work, but too many aren’t sure what this coverage entails, how much income it would provide or for how long. Having this protection counts for something, certainly, but it isn’t “yours”; it’s provided by the company for which you work at their discretion. It could be eliminated tomorrow.

That’s where a personally-owned disability income insurance product, like Income Armor, comes into play. It can offer valuable income replacement in the event of an injury or illness. If you have a job, you must know about this coverage.

To all the Mom’s, HAPPY MOTHERS DAY!
